Hello!  
I'm Lisa Allison and it is my privilege to be the new President at BRHA! I have been a member of the Board of Directors since 2021 and a resident since 2019. I grew up in a small town in the Catskills that focused on dairy farming and fruit orchards. My husband is a cowboy from a small, west Texas community. Hamilton feels like home to us. I want the people who come through our doors and the pets beneath our roof at BRHA to feel welcome, safe, and cared about. As I continue my 30+ years in the nonprofit world, many with animal rescues, I am excited by what the future holds for all of us, but most importantly, for the pets we love. Looking ahead, the Board of Directors and I continue to keep our mission on our minds. There is a focus on projects that allow our staff and volunteers to rehabilitate and adopt pets into loving homes as well as facilitate a healthy, enriching environment for our cats and dogs at the shelter. One of these projects is the addition of an area in the front yard for exercise and dog training. For our volunteers, we will be focusing on how we communicate and schedule, along with unique opportunities to improve the lives of the pets in our care. As the shelter continues in its 51st year, the Board and I look forward to adding to its rich history of service in the Bitterroot Valley.

I look forward to seeing you around town, at events, and most of all at the shelter. Enjoy the warm days and bright nights!  
*For the animals,  
Lisa*

The BRHA specialty plate has been an ongoing fundraiser since 2013, and raised \$61,580 to date. The revenue it generates each year is substantial to our annual budget. The state requires that we maintain at least 400 new or renewed plates per year in order to continue in the MVD Program, and we thank everyone who has either purchased a new plate or renewed their plate in 2022. For each new purchase or renewal \$20 is donated to BRHA and in 2022 that amounted to \$7,540 in funds that we have used to keep our doors open and the animals cared for. By displaying our plate, you are not only donating much need funds but helping to spread the word that BRHA is here & what we do for the community!

Starting March 1st, 2023, to continue giving the best animal care, we will be accepting dog and cat surrenders **BY APPOINTMENT**.

To make an appointment, please call 406.363.5311.

# Humane Education in Our Community

Hamilton Girl Scout Troop #3647 chose our kitties for a project....and our felines love the toy mice they made!  
Thank you Troop #3647 for your caring & sharing!

Corvallis 2nd Grade Class learning all about how to be kind to animals and how to care for them!  
Huge thanks to the Corvallis teachers for including animal welfare in their curriculum.

The students at Evergreen Kids Corner, Hamilton took their humane education class seriously as they visited the BRHA pets on our website and then chose one to draw.....what budding artists!  
Learning about animal welfare, at such a young age, will truly be a benefit to our community's pets in the years to come....Thank You for caring!

Again this year, Mrs. Healy's 4th Grade class from Corvallis Primary School, chose to help the BRHA critters with a awesome fundraiser....they designed, created and sold key chains and ornaments! BRHA was proud to host the class for a tour of the facility and show the class exactly what their donation of \$614.00 will be used for...saving the animals.  
Our future is bright with these caring & generous kids looking out for us!

## Some just need a little extra...Thane

Good Ol' Thane first came to our shelter as a stray on 9/30/22 and we were able to find his owner, however she decided that the shelter was best place for him to be, so she surrendered him 2 days later. Thane is a 75lb Pit mix, just shy of his 7<sup>th</sup> birthday, and has a smile that will melt your heart. Despite his age, he has the heart of a puppy, and loves to play fetch until your arm is sore. Tom, his foster Dad, says that it didn't take more than a couple walks to know that Thane was a special dog with a lot of love to give. Thane stayed in the shelter for a couple months until his first sleepover in January. That wasn't a good fit, but he tried another family in February. That too just wasn't quite what he needed, so he tried a third time at the end of March, but again, he was too much dog for a smaller yard. Feeling down on his luck, Thane became depressed and was starting to think his family wasn't out there.

The BRHA staff and volunteers could tell he was losing his spark, but we could also tell he was developing more and more of a limp on his hind leg. Seeing his friend sink lower and lower, Tom knew he had to do something. Tom knew the shelter was not the place where Thane would thrive, and decided he would open his home to the dog he was quickly becoming best friends with. However, Thane still had a long road ahead of him.

St Francis Vet Hospital, in Darby, generously donated an X-ray to see what was causing the limp, and found that Thane has the dog equivalent of a torn ACL. It appears to be an older injury that has healed enough, but the only correction is to have a major ligament surgery at a specialist in Missoula.

In the meantime, Thane has been living on a warm bed, with all the balls to chase as he wants, constantly being loved on by Tom. Thane's surgery will cost upwards of \$5,000, and the BRHA's medical Dani Fund will match the donations raised for the surgery, so that Thane can live out the rest of his life pain-free and running until Tom can't throw a ball any more. Once the surgery is completed, Tom has pledged that he will nurse and rehab Thane back to his happy, dopey self, and then finalize his adoption and give Thane his forever home.

If you can find it in your heart to help, any donation goes a long towards getting Thane the surgery he greatly needs. Tom and the Bitter Root Humane Association can't wait to see Thane get his big goofy smile back! ***If you'd like to help Thane, donations can be delivered to the shelter or mailed to BRHA-Thane Surgery, PO Box 57, Hamilton, MT 59840 or a GoFundMe account is online at: <https://gofund.me/898afd25>***

**Thank you in advance for helping us help Thane realize his "HAPPY TAILS"!**

## Thank You!

**Huge THANKS to Greener Grass for once again donating their property maintenance services to BRHA and keeping our property beautiful!**

**Be sure to call Greener Grass for your property needs!**

### Kennel Safety!

Thanks to a \$2,720.00 grant from the **Rapp Family Foundation, a fundraiser by Evans Ace Hardware** and the generous donation of installation labor, the BRHA dog kennels now have heavy-duty, insulated guillotine kennel doors. These security measures will not only assist in providing safety protection, but also helped with the energy efficiency of our kennel rooms!

**Thanks to a shelter feeding program Hill's Science Diet has made it possible for BRHA to not only feed our guests a great food but also substantially lower our food costs!**

# Remembrances

If you would like to contribute to this project, please send your donations to: BRHA-Front Yard, PO Box 57, Hamilton, MT 59840, or drop off at the shelter or online at [www.bitterroothumane.org](http://www.bitterroothumane.org) and note for the play yard.

# VOLUNTEER HAPPENINGS... ..by Nikki Stevenson

Hello animal lovers!

My name is Nikki Stevenson, and I am excited to introduce myself as Bitter Root Humane Association's new Volunteer Coordinator. As a Montana native, I grew up in Missoula and moved to Hamilton in 2019 with my husband Richard and our kitties. We love the Hamilton community and share in its love for animals. I bring a diverse background to the position. My experience as an educator and love for teaching both children and adults makes training new volunteers exciting. As a bookkeeper, I am good with numbers and computers. I bring Volunteer Coordinator experience from three previous opportunities. As an artist I strive to bring beauty to the world through music and creative arts. I believe that my creativity is my strongest asset and will put that to work for the animals of BRHA.

We are always seeking animal advocates to be Volunteers for BRHA. Becoming a Volunteer is easy! Stop by to pick up a volunteer application or print one from our website. Drop it back by, and when it is approved, we will schedule an orientation and tour. After completing the orientation and tour, we will schedule additional short trainings based on your volunteer interests. The training ensures safety for you as a volunteer and the animals of BRHA.

The volunteer opportunities are endless. Dog socialization and walking, cat socialization, dishes, and laundry are everyday needs. We have special events needs as well, such as parade dog walkers, photographers, servers, booth attendants, and someone to dress as our mascot, Rootie! Events and opportunities arise frequently, so if you have an interest in our day-to-day needs, special events, or have baking, cooking, cat toy making, or any other talent that might be used to promote our animals, we would love to see you!

I look forward to sharing my love of animals with you! *Nikki Stevenson*

Kathie Butts, BRHA Board President Emeritus (L), presents the award to Jesse Applebury at the BRHA Annual Meeting.

## BRHA 2023 Volunteer(s) of The Year

### Alan & Jesse Applebury & the

### Fox Hollow Animal Project

There has never been a more deserving recipient of the BRHA Volunteer of the Year award than to the Applebury's and their "project". Their spay/neuter work over the last 30+ years has made a significant impact on reducing the number of unwanted pets in our community and their support of our shelter, staff and animals has truly been a blessing and helped lead us to where we are today.

A great time was had by staff, volunteers, our pets and **Jordan' Way** as a day of fun & fundraising turned into \$5,000+ for the shelter! We can hardly wait to see what shinnigans the **Jordan's Way Tour** crew will think of for next year! Check out the **Jordan's Way** cause at: <https://www.jordanswaytour.com>

## BRHA OUT & ABOUT

Thank you O'Hara Commons for hosting BRHA at your Wed Farmers Market! Board President, Lisa Allison, was happy to provide market pup Bert with a treat!

Thank you Missoula Vet Clinic for hosting a great adoption event...Tucker Chase and board member Chad Hillman were on hand to promote BRHA critters!

Board member Sue McCormack & Operations Manager, Tucker Chase help spread the word about BRHA at the Spring Non-Profit Fair.

# THANK YOU FOR YOUR SUPPORT!

## Poppy's Story... What a difference a "spa" day makes!

Ms. Poppy arrived at BRHA, in definite need of some pampering to say the least. The transformation was unbelievable as layer upon layer of her matted curly locks started to come off.

Grooming a dog of Poppy's size is no easy task, let alone the condition that his gal was in.

Poppy and groomer held up to the six plus hours spa day and we'd say this was one happy gal afterwards!

Now almost half her size and looking beautiful, Poppy was ready to start looking for her forever new family.

Well, it didn't take long for the perfect match to happen!

**HUGE THANKS**  
to  
**"GROOM ON THE VROOM"**  
for not only giving our Poppy a beautiful new look, but helping her realize her **"HAPPY TAILS!"**

Thank you Hamilton Wine & Liquor for your generous \$200 donation to our Spring Tea...it was a huge success..CHEERS!

**HUGE THANKS** to Allegra Print & Imaging for working with our Marketing Committee in design and all their assistance in getting our new front yard sign printed & installed!

And our deep appreciation to Becky Lovejoy for your generous donation to make our sign a reality!

## Thoughts from a BRHA supporter & dog lover.....by Jeff Taylor

A few days ago, a dog died in Hamilton. He would have been in his forties in human years, and when old Harry brought Farfetch into the store, he was my dog for five minutes. On company time, I fed him soylent dog biscuits, out of the 20-lb box the company provides. Massa Home Center is one dog-friendly hardware and lumber store. When the phone rings and a voice asks if we have doggie doors in stock .... is the bear Catholic? Does the Pope bless the woods? We have many. Tomorrow, I will put five dollars in the Animal Shelter jar on the counter.

You would have liked Farfetch. Sixty pounds of larruping brown dog, smooth and fast, breath like fresh-baked bread, with a tail that drum-punched any tool display that needed a beating. Wish I had, but It never occurred to me to take a single picture of this fine doggie buddy. Too late now.

And now, I'm glad. Because I would have had to give that photo to Harry in his grief, and we would have both wept right there at the counter. Instead, he broke the news to me, and we John Wayned past our wet eyes in true Montana style. Shit. Sorry. He was a good boy. His ashes in the river, flowing back Home.

I have always wondered when I would know, for sure, that there is an afterlife. It was then. Because I am sure of this: Farfetch runs at top speed down a meadow that smells, to him, like Heaven, chasing squirrels around a giant tree and being really messy with water. He didn't waste a minute down here with Harry, and he loved just existing. And trotting into Massa, especially.

"Not gonna get another dog," said Harry. "I'm too old." Which means he knows how much his dog would have suffered if he had died first, and he willingly takes on the soul-burden of missing his closest friend. That takes such guts.

Okay, ten dollars, tomorrow morning...(He ate a LOT of bones.) I owe it to Whoever created dogs.
