Lucky Days at BRHA

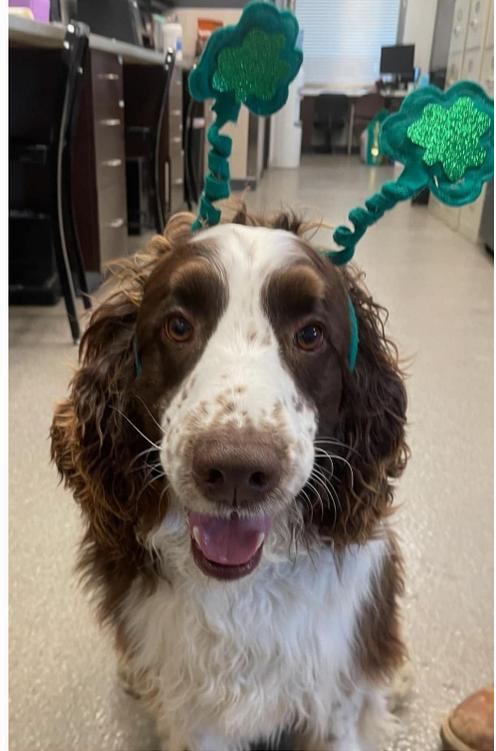

The month of Luck has been full of shenanigans and malarkey at the shelter! So many happy "tails" and lots of FUN has been had by all. From 'Pi' day treats to training for the staff, life has been good!

With the sun shining and weather finally turning, we are looking forward to all the exciting events and opportunities coming up. "Adventure Days" for the dogs should be a great change of pace and a way to enjoy all our valley has to offer with a furry friend. The Slumber Pawty fundraising is off to a great kick start, and should be a great time! In April we are focusing on our "No Naked Pets" campaign which will help all

community pets get proper ID's and microchips.

Read through to find out about the happenings and things to look forward to at the shelter. This Spring will be one for the history books! Join in on all the fun!

Happy Tails...

GIZMO

"Gizmo" now known as "Gus" has joined big sister Sadie as the keepers of warm laps at Miss Deb's house. He is a happy guy and loving his new life!

BUDDY

We were contacted by the English Springer Spaniel Rescue of America and arranged transport for "Buddy" to be fostered in Washington. The foster family fell in love and "failed" at their commitment by deciding to keep him forever!

Participants will spend 24 hours at the shelter playing games, eating, and sleeping with our shelter residents while live-streaming and posting online. The event will be sponsored by local businesses and donations from individual campaigns. Stop in on April 6 for a free hotdog or burger in your jammies!
